FIRST DEPOSITOR — A Lemon Grove shopper, right, became the first depositor of money in the Salvation Army's Christmas pot when it was set up recently in front of the Lemon Grove Post Office.
The pot, together with Salvation Army personnel, will be stationed there daily until Christmas. Funds are used for San Diego's less fortunate people.
A dollar, thought to have been lost by the photographer who was using it for picture taking purposes, turned up later in the pot, it was said.
Ringing the cheerful bell is Mrs. Lois Brooks, a Salvation Army lass.

CLASSES TO OPEN IN FALL

Junior College Bid Goes To L.M. Firm For $5 Million

The man who built the new U.S. National Bank building in downtown San Diego is going to build the new Grossmont Junior College, it was agreed Wednesday night last week by a majority of the trustees of the Grossmont College District.

The builder is George Riha, who operates the Riha Construction Co. but trustees were split 3-2 in their voting.

The La Mesa contractor won the $5.1 million award after trustees figured in alternate and additive items to the base bid.

Cotton Construction Co. of National City and G. L. Cory, Inc, of San Diego had made a joint venture base bid of $4,984,430. Riha's base bid was $5,050,000.

Trustees added football and track facilities as well as parking and walkway lighting. They cut a master clock and a fire alarm system design. The total of the base figure, with the added items and the cuts amounted to $5,133,100 which was Riha's bid. The Cotton-Cory bid, on the same basis, was $5,139,430.

Rexford Hall, board president and Palmer Svalstad, board member voted against the contract changes. Earlier in the meeting the pair had motioned to accept the base bid and negotiate the changed items later when money becomes available

LOSING BIDDER SUES

Cotton Construction Corp. and G. L. Cory, Inc., joint venturers in a bid for construction of the Grossmont Junior College, filed suit against the trustees and Riha Construction Tuesday.

The firm asked Superior Court to order the Grossmont College District to accept its low base bid.

A hearing has been set before Judge Vincent A. Whelan for December 23.

the decision after deciding that parking and lights were vital to normal college activities.

Meanwhile, District Superintendent Harold Hughes said the contract is for $131,000 more than the money presently available for the work but said that there were some possibilities for making up the deficit. Tax and budget changes next year or increased state aid might make up the difference, he pointed out.

Dryden, the Lemon Grove board member, led the three member mapority which wanted to include the lighting and sports facilities in the initial construction. He said that the cost would be higher if bids were called later.

George Riha, admitted that he had made an error in his figures and it contributed to his low bid but he said that he would perform on the figures he submitted.

By accepting a bid, fall opening for classes on the new campus was assured, Hughes said.

member majority which wanted

An attorney for Cotton-Corey appeared before the board Monday night and called the bid "invalid".

The attorney, Alec Cory, was heard at a special meeting after the question of additives in the bidding was questioned.

"The only way you can determine the lowest responsible bidder is by considering the base bid . . . not the additives," he said.

The board indicated it would stand by the original bid.

GROUNDBREAKERS — John A. Davis and Stephen G. Fletcher join in a ground-breaking ceremony for the newest YMCA facility in the county.
The Heartland Branch, which will serve residents of Spring Valley and Lemon Grove, as well as others in the area, is being built at La Mesita Park, La Meas. Davis is contributing the building and landscaping. The Ed Fletcher Co. gave the land. W. Earl Smart, a Lemon Grove attorney, who took part in the ceremony, is chairman of the Heartland Branch YMCA board.
The unusual treatment of this picture permits the explanation in the area which otherwise would show the shovel handles and some of the earth piled in the background.

LEMON GROVE INCORPORATION EXCLUSION

La Mesa Protest May Force VLM Annexation

A protest of the boundaries of the proposed City of Lemon Grove is expected to be registered by La Mesa City Manager Glen Kendall, it was learned here.

Kendall said Vista La Mesa, a residential area in the northern part of the proposed city limit, is a natural part of La Mesa because of drainage for sewer lines. The area in question is bounded by University on the north and Hoffman on the south. East-west lines are James st. and Yale ave.

Kendall said Lemon Grove incorporation proponents had to include Vista La Mesa because to eliminate it would have created an island of unincorporated territory isolated by adjoining cities. Under recent legislation, this is prohibited.

At least one petition asking to be excluded from the proposed city of Lemon Grove is believed to be in circulation. Such a request would probably require the people in the excluded area to indicate a preference for annexation to La Mesa or San Diego to avert the area becoming an island.

David W. Bird, county Supervisor, said an exclusion without an annexation indication could not be granted if the land involved was less than a square mile in area.

Lemon Grove's incorporation request was approved by the county Boundary Commission. Annexations of Lemon Grove territoy were halted for 90 days by the filing of the intention to incorporate. The period expires December 16 and any and contiguous to any other ity may be annexed if the inabitants of the land wishes to do so.

The annexation would have to come before the newly organized Local Agency Formation Commission before it could be done, however.

Before the election on incorporation in Lemon Grove may be called it will be necessary to obtain signatures of 25 per cent of the local property owners owning land assessed at least 25 per cent of the total valuation.

A series of time extensions may be obtained from the county Board of Sueprivsors to meet this requirement according to Frank Armstrong, Lemon Grove attorney and leader of the incorporation forces.

"Right now we need petition circulators," he said. "Apparently there is little opposition to forming a city because the few petition circulators now working are able to get signatures from almost every address where there is someone home," he added.

Men's Club Programs Membership Drive

A program to encourage more attendance at the Lemon Grove Men's Club was approved Friday by the membership.

Spearheaded by Vice President John Dail, the group agreed that weekly drawings would help improve the attendance above the 25-30 per on weekly average.

The prize for the first contest to be held Friday will be a bottle of wine "older than me" offered by Dr. Frank Gigliotti. Proceeds from the weekly contest will be used to dfray th cost of sending communications to potential members explained President Jack Cummings.

At last weeek's meeting, a proposal to start a Moose Lodge in Lemon Grove was made by Arthur Ortiz, a L.G. resident who supplied the program on the Loyal Order of Moose. Ortiz is membership director and publicity director of the California Moose Association.

In attendance at the meeting was Richard Bales, Southern District California Moose president. The men said it would require an initial membership of 100 mem to initiated a local order. An expansion drive is part of the fraternities 75th anniversary program.

Fred Hansen of Spring Valley, civic leader, investor, developer and water district official, will provide the program this week according to John Bridger, program chairman.

The club meets regularly at Michael's on Friday and all men are welcome.

Patrica — back in the old stand

Mrs. Hutchinson Recuperates And Re-Opens Sportswear Shop

Patricia is returning and the ladies around here are glad.

Men will be glad too, but for a different reason.

Patricia is Patricia Hutchinson, well-known operator of shops for women. Her shops have emphasis on sports and casual wear. She will reopen at 7887 Broadway, L.G. where her shop, Patricia's Sportswear was operated for ten years until she became ill and underwent surgery. She closed the shop early this year, rested and recuperated. During the next 30 days she will reopen at the same location.

Women will be pleased because Patricia's has been noted for its outstanding selection of casual wear. Men who pay the bills for the women who wear Patricia's styles will be happy because the bills are modest. Men who have no bill - paying responsibility for women's clothes will be happy just because the gals look so darn cute in the styles supplied by nationally known manufacturers, Patricia said.

Mrs. Hutchinson, who operated a similar type of shop for 17 years before coming to Lemon Grove said she will announce a Grand Opening event within a few days.

Events Set By Kiwanis

The Lemon Grove Kiwanis club's annual Toys for Tots project gets under way this week.

Kiwanis President Jack Durham said the L.G. Fire Station on Central at School lane will again be the drop-off point for wheeled toys.

SANTA ARRIVES — Santa Claus came to town this week to kick off the gift buying season here. Sharon Hines, 5, 1747 Costada, Lemon Grove, confides to Santa that she expects many presents. Santa will appear on the plaza in Lemon Grove from 2 to 4 p.m. daily.
As part of the holiday festivities, the Mt. Miguel marching band will tromp down Broadway Friday afternoon, in a rehearsal for the Rose Parade.

WILL HONOR MEN, TOO

EDUCATION-AIDERS TO BE HONORED AT LAURELS BANQUET

Foothills area teachers and parents groups within the boundaries of the Grossmont School District have started their planning for the Second Annual Laurels Banquet. The First Laurels Banquet was sponsored jointly by the Grossmont Teachers Association and the PTA untis from the local Junior and Senior High Schools.

The Laurels Banquet Association was formed to honor those people in the foothills communities who have made outstanding controbutions to the cause of better education in their areas. The honor was bestowed on six women last year.

Last year the Lemon Grove recepient was Mrs. Byron Netzley. Rosarie Graham was the Spring Valley recepient.

This year the Association plans to recognize the men who have made special contributions to the cause of education.

Selections for Laurels are determined by a system of community organization voting. All service clubs, civic groups, and associations connected with education will be mailed nominating and reservation forms.

Selection Chairman

Those individuals who receive the most nominations from the voting groups or clubs will be declared the winners at the Laurels Banquet. Mrs. Beebe, of Lemon Grove, Chairman of Selections Committee last year said, "The participation last year was widespread. It is anticipated that with an earlier start and more time for planning, the participation this year will be quite intense."

The Laurels Banquet Association has been expanded for 1964. The sponsoring organizations for the First Laurels Banquet. will include the Foothills Council of the PTA, the separate PTA groups from the individual schools, and the District Teachers Associations of Cajon Valley, La Mesa — Spring Valley, Grossmont, Santee Lakeside, Alpine and Lemon Grove.

The chairman will be Don Phillips, a teacher in the La Mesa — Spring Valley District, who is also the Foothills Director of the San Diego County Teachers Association, and affiliate of the California Teachers Association. Asisting Phillips on the steering committee will be Mrs. Sylvia Ainsley, of El Cajon, who is the president of the Foothills Council of the PTA, Mrs. Donald Beebe of Lemon Grove, who is the president of the Mount Miguel PTA, and Charles Mosse of the Grossmount Ditrict, past chairman

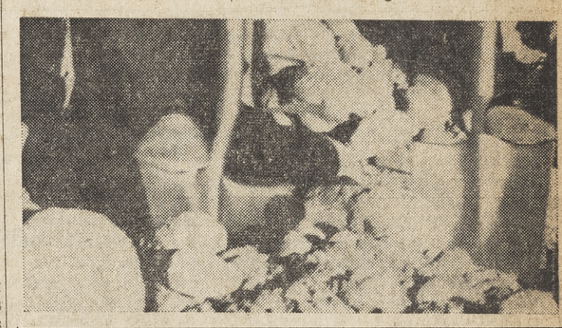
Donovan Released From Hospital Following Surgery

Assemblyman Richard J. Donovan (R-Chula Vista) was released from San Diego's Mercy Hospital Wednesday exactly one week after undergoing surgery to clip a tiny swollen artery in the covering of the brain. Doctors, describing his condition as a "minor circulatory disorder", said that the artery had been causing Assemblyman Donovan recurring, and sometimes severe, headaches.

Herbert Sichler, the youthful Assemblyman's administrative assistant, said that Donovan had complained of a headache on the day before Thanksgiving.

When X-Rays revealed that the swollen artery was causing the Assemblyman's discomfort, doctors decided to operate and pinch it off with minute silver clamps.



FIRE INSURANCE CUT SAVES L.G. SCHOOL DISTRICT $2,000

The new fire rating in the Lemon Grove area is giving the Lemon Grove Elementary school district a $2,000 savings over a five year period.

The new rating was announced several weeks ago but current insurance policies had to be replaced before the amount of savings could be figured, Byron Netzley, district superintendent told the school board Monday night.

The board approved plans for addition of a 4 classroom wing at San Altos school. The plans were drawn by Clyde Hufbauer, district architect. Bids will be called on January 27 providing for the job to be completed by school opening next year. The addition will increase the total to 16 classrooms as provided in the district's master plan.

The school board reported on a trip to San Francisco where the entire board attended the Calif. School Boards Assn. meeting. Netzley and Sam Solleder, asistant superintendent, were also in San Francisco the same week attending a seminar of Calif. Assn. of School Administrators.

The board will take a holiday recess. There will be not meeting until January 13, it was announced.

JOB'S DAUGHTERS' QUEEN — Karen Christy, queen elect, will take office Saturday evening at the 22nd installation meeting of the Lemon Grove Job's Daughters, Bethel 229. The meeting is to be at 7:30 p.m. at the Masonic Temple, 2590 Main st. A reception and dance are to follow the installation of officers. The queen elect's theme is "Peace Through Love" and her colors are pink, white and silver.

LET US ALL PRAY TOGETHER AS A FAMILY

The Church prepares for the coming of the Promised Child. A Child seems like a very insignificant answer to the problem of man's sin. The Child born at Bethlehem was adequate to meet man's total need.

"CONSISTENCY"

The only sermon which will confront some people is your daily life. Our life in the community must be a demonstration of what happens when Christ comes to live in a person's heart. If Christ lives there, we are responsible to let this be seen in every association and transaction in which we are parties.

EPISCOPAL CHURCH STAND ON SEGREGATION CLARIFIED

The Rev. J. Phillip Bartlett, Vicar of St. Phillip's Episopal church in Lemon Grove, said the church would follow the stand of the Episcopal Conference in the matter of discrimination.

Fr. Bartlett said that the Lemon Grove church will always be open to a child of God regardless of race or color.

The position supports the affirmatiens of the Archbishop of Canterbury, the Most Reverend and Right Honorable Arthur Michael Rasmesy; DD, Fr. Bartlett said. Bishop Ramsey said, "Segregation and other forms of discrimination are a sin. We voice our deep concern and passion for all who suffer on account of their race, color or creed. We pledge our active support for all those who in various parts of the world are witnessing for Jesus Christ by their courageous stand against discrimination and segregation.

"We are ashamed that barriers of race should still persist in life of the Church and the community."

Lambeth Conference

Fr. Bartlett added that every ten years the Bishops of the Anglican Communion at the invitation of the Archbishop of Canterbury meet at Lambeth Palace, London, for conference on matters of common concern. In the Anglican Church this Conference is of paramount influence in matters of faith and doctrine.

At the last Lambeth Conference in 1958 belief was affirmed in the natural dignity and value of every man, of whatever color or race, as created in the image of God. In the light of this belief the Conference affirms that neither race nor color is in itself a barrier to any aspect of that life in family and community for which God created all men. It therefore condemns discrimination of any kind on the grounds of race or color alone.

The Conference would urge that in multi-racial soceties members of all races shall be allowed:

A fair and just share in the government of their country;

A fair and just share in the control, development and rewards of the natural resources of their country, including advancement to the highest level of attainment.

Spring Valley Boy Killed By Vehicle

A six-year-old Spring Valley boy, Mark Lowell Hopkins, was killed by a car Tuesday when he was struck while walking near his home.

The boy was the son of Mr. and Mrs. Jack R. Hopkins of 8651 Lamar st.

Mark, a student at Bancroft Elementary School, was killed on Lamar Street between Sweetwater Road and Central Avenue.

A Spring Valley woman, Mrs. Mary Gwendolyne Drummond, 38, driver of the vehicle that struck the boy, was booked by the California Highway Patrol on suspicion of felony drunk driving. She lives at 8960 Switzer dr., Spring Valley.

The boy's mother is a teacher at Magnolia Elementary School in El Cajon. His father is an art instructor at San Diego State College.

The boy is reported to have died of multiple internal injuries at the scene of the accident.

The highway patrol reported that the boy was walking west and the vehicle was going west on Lamar Street when the boy was struck by the left front bumper and fender.

Gift Mailing Lagging Says L.G. Postmaster

The flow of Christmas cards in the Lemon Grove Post Office is running about even with the flow last year, but the mailing of Christmas packages is lagging," according to Frenchy Faucher, Lemon Grove Postmaster.

He suggests that all gift parcels to most distant points be sent by Air Mail from now on.

Speaking about Christmas gift packages, Faucher said, "I cannot emphasize too strongly the vital need for packing and wrapping your gifts securely. Pack all your gifts in sturdy cartons, wrap them with heavy paper, and tie them securely with strong cord. It is sometimes hard to understand why people will be so careless about puting valuable Christmas gifts into the mails in flimsy boxes and loosely wrapped packages. Many of these poorly wrapped gifts simply cannot stand the necessary handling, and thus cause much delay and disappointment all around."

He further suggests that it is best to print the recipient's full name, address, city, zone or ZIP Code number and state on all mailing labels, making sure to include an extra label inside of your gift packages.

Date Festival Date Set

Crash Inspires Sermon Topic

A sermon topic picked up from a bush pilot in Alaska will be given Sunday at the Lemon Grove Methodist church by Dr. Jordan Detzer, the church's minister.

"Christ, Control Christmas!" is the topic which is taken from the phrase the pilot used when he crashed. "He kept repeating, 'Christ, control me!'," Dr. Detzer said. Detzer was chaplain in Alaska in 1950.

Christmas workshop will be conducted Sunday for youngsters following a pot luck dinner for all the church's members at 5 p.m.

Girl Scout Chatter

Mrs. D. Wooley's Troop No. 1161 is going places - on horseback. One patrol went riding last week-end at Barrett Lake Estates. They spent all day Saturday on a trail ride. Sunday they took a shorter ride to Look-out Point and picniced there. Cheryl Carlson, Janice Currie, Sue Perkins, Linda Vance and Helen and Pat Mc Cormick were the happy girl-scout participants.

Mrs. E. M. Torkildson who was trail boss and supervisor of all horsewoman activities donated her services and trailed her own horse, Chief. The other horses were Penny, Sonnyboy and Taffee. The trip was part of planned training for the mounted troop. Other troops will be planned to lead up to advanced trail riding this summer.

The troop is sponsored by the Chamber of Commerce in Lemon Grove. They also are assisting the girls in their search for horses to use.

DAIL RELATIVE PASSES

Local Folk Make Kids In Baja Calif. Happier

A pair of Lemon Grove business and professional people are making Christmas happier for unfortunate children in Baja California.

Dr. Amorita Treganza, an optometrist, and Arthur Berry, a sports goods shop operator have been gathering together and shipping toys and play equipment to children in rural San Quintin Valley.

Dr. Treganza, a member of the family of early Lemon Grove sttlers (she was the first Miss Lemon Grove) started the project here and Berry, whose sports good shop is at 7809 Broadway, has become the collection center for the project locally.

For the past three years Dr. Treganza and Berry have gathered up such items as discarded Little League uniforms, balls, bats, toys and other things youngsters like.

"Once, we sent down a big box of crayon remanents," Berry said. "It was the most popular of all the things we have ever provided except Little League Uniforms."

The material is supplied to the principal of the school at Colonia Lazaro Cardenas, who, in turn, distributes it to the youngsters. A caravan of autos and airplanes make the trip there from time to time to the community which is about 250 miles south of Tijuana.

The sponsoring group, Voli-dares Samaritanos, also supply medical treatment and supplies

Articles for distribution to the youngsters may be left at Berry's until Christmas Dr. Treganza said.

Family-type Department-type Store Opens Here This Week

Hudson's the family store, is opening Thursday this week in Lemon Grove.

Occupying the location of the former William Department store, at 7945 Broadway, the shop will offer "utilitarian-type family wear with prices ranging to the lowest. The firm operates more than 70 stores in Los Angeles, San Francisco, Oxnard and other West Coast towns.

Bill Blasnick, Hudson's district manager who is in town to help with the opening said, "We chose Lemon Grove because the community adapts itself to the type of merchandise we have to offer. We combine good quality clothes with self-serve operation to keep the prices low. You can't beat our prices anywhere. This area needs a store like ours," he added.

Hudsons has men's and women's clothing, toys, hardware items, houseware and even perfume in its 6,000 square feet of floor space.

The Lemon Grove Chamber of Commerce's Merchant's Division will participate in an opening event after the store has been in operation a couple of weeks, reported Don Johns, chairman of the group.

Some Granite Hills Students May Transfer To Monte Vista High

The Governing Board of the Grossmont Union High School District, at an adjourned meeting on Monday evening, approved changes in attendance boundaries for Grossmont, Granite Hills, and Monte Vista High Schools, effective September, 1964. Heavy enrollments at Grossmont and Granite Hills which have overloaded the classroom facilities available, combined with the availabilty of classroom space at Monte Vista High School, made these changes necessary.

The change will affect only entering students from the portions of Grossmont and Granite Hills High School areas closest to Monte Vista High School. The change will not be mandatory for students already enrolled at Grossmont and Granite Hills High Schools from these areas in order to avoid a disruption of their high school programs. However, students from these areas can, if they desire, transfer to Monte Vista.

High School Girls Brighten Hospital

Helix senior girls in pink pinafores are a common sight at Grossmont Hospital.

The girls, participants in the Grossmont Hospital Junior Auxiliary, are Becky Garcia, president of the auxiliary; Corrine Anderson, Jerry Barker, Clara Cangiamila, Lina Huston and Terri Steffe.

"In San Diego the girls who work in the hospitals are known as candy stripers because of their striped pinafores. Our pinafores are a solid pink, so our proper name is Junior Auxiliary," Becky said.

A meeting for new members is held at the beginning of each summer. A 50-hour training period with a partner must be completed before a girl can go on duty by herself. The girls train and work in many wards and areas of the hospital including pediatrics, orthopedics, visitors' service and maternity.

"My favorite area is Emergency," Becky said. "There you can get a lot of basic nursing and it really keeps you busy. On my first day in Emergency 12 cases came in."

This type of work is very satisfying and is fun, Jerry said.

I work in pediatrics so it gives me a chance to work with children and to help them. I might become a pediatrician and this gives me a chance to be sure I would like that type of work," she said.

"I like being a member of the Junior Auxiliary because it broadens my education. I particularly enjoy Emergency because I get to observe more direct nursing than in the wards," Terri said.

All of the girls agreed that being in the Junior Auxiliary would probably be a deciding factor in their future carerrs.

"You have the perfect atmosphere and you're right there with the patients," Becky said.

CAP Marks 22nd Year

This marks the 22nd anniversary of the Civil Air Patrol. The Civil Air Patrol started in December 1941 as an anti-sub patrol. Since the war CAP has become a nationwide search and rescue organization.

In recent years CAP has established an aerospace education program. In America there are over 42,000 teen-age cadets participating in this program.

One such unit is CAP Cadet Sqdn. 127, which meets at Monte Vista High School Monday through Friday from 10:30 to 11:30 a.m. The squadron is a small one, having only two senior members and nine cadets. They are as follows: SM Lacey; SM Benjamin; Cadet/Staff/Sgt. Sandmann; Cadet/1/Class Evans; Cadet/1/Class Benjamin; and Cadets Prall, Buczynski, Landers, Rusk, Gatlin and Lang.

Sqdn. 127 celebrated Civil Air Patrol Week quietly this year.

Monday, students heard a message tbout CAP from the school principal, Stanley McClintic. Through out the rest of the week the students heard messages from other leaders.

The school librarian, Yvonne Woods, is displaying Civil Air Patrol manuals and books to commemorate CAP'S 22 years of service.

Highlight of the week was Friday when the cadets were inspected by Sgt. Ulibarri of the USAF Recruting Service. After the inspection Sgt. Ulbarri gave a talk on the Air Force.

Monte Vista Team Wins 2 of 3 Games

In a bid for the California Interscholastic Federation berth, the Monte Vista Roundballers are showing a strong team built on speed, experience, and teamwork. In its first three games, the Monarchs have won two and dropped a close one to last year's C.I.F. champions, the Crawford Colts.

The first game on November 26 went into overtime before the Monte Vistans could subdue the Lincoln Hornets 57-56. The next day the victim of the team was the squad from Mission Bay. The Monarche overcame a 37-34 lead in the third quarter to win going away 55-44.

When the Monte Vista - Crawford game rolled around on December 3, the game was billed as the battle of the "undefeated." The Colts rolled to a 62-58 win, leaving Monte Vista with a 2-1 record for the season.

SD&E OUTLINES PLAN TO MEET WITH CORE

The San Diego Gas & Electric Company outlined a long range program designed to improve employment opportunities for all citizens in the community at a meeting with representatives of the Congress of Racial Equality.

Both sides presented plans for consideration and agreed to exchange views late Wednesday, December 4th.

The proposal calls upon the Citizens Inter-racial Committee to begin "an immediate study of the feasibility of establishing a special industrial training program as a community project." The company also suggested expansion of existing vocational training courses "to help equip more people with the skills needed for gainful employment."

RESTAURATEUR EXPANDS OPERATION IN L.G.

The purchase of the Horseshoe Tavern, 7664 Broadway, in Lemon Grove was announced this week by a long-time local restaurant-cafe operator.

The new owner is Ted Fetters and his wife Estelle, well known for operating Pal's Cafe at 3521 Imperial ave., also in Lemon Grove.

The couple will continue to operate Pal's.

The Horseshoe was purchased from William Couts, who said he was going to retire.

The Fetters plan to enlarge the operation at the Horseshoe by adding a banquet room. They have already acquired the adjoining room.

For the time being Mrs. Fretters will be in charge at the Horseshoe while her husband will devote most of his time to Pal's.

"Things look so much better in this area now than they have for the past couple of years that we either had to expand now or forget it," Mrs. Fretters said.

Woman Loses Weight But Wins Presidency

Mrs. Jeanne Le Blanc, 3947 North Cordoba, Spring Valley, was recently elected Leader of the Y.B. Obese chapter of the national organization, TOPS (Take Off Pounds Sensibly).

She has been a shinning example for her club, having lost 95 lbs. since March 25. Mrs. Le Blanc has never missed a meeting in 8½ months, and lost consistantly every week for 7 of those months.

She is now within 1½ pounds of her goal. (Weight set by her Doctor) and hopes to make this by the end of the year. which was the time she set for herself when she joined the Club.

When this is reached she then becomes a member of KOPS (Keep Off Pouns Sensibly).

Mrs. Le Blanc will be installed at the clubs Christmas party this Saturday evening, December 14. Other officers include: Co-Leader, Mary Sands; Secretary, Kay Sims; Treasurer; Genevieve Jorgenson.

Anyone interested in learning more about this organization can call Georgia Mangano, GR 1-2632.

Monarchs, Matadors In Kiwanis Tournament

The Monte Vista High Monarchs and the Mt. Miguel High Matadors will carry the banner of the Spring Valley area into the 17th Annual Kiwanis Basketball Tournament on December 18, with the opening of the four-day prep school classic.

The Mt. Miguel squad will vie for honors in the 16-team "unlimited" division, while the Monte Vista Monarchs battle for honors in the "limited," or smaller school, division. A consolation play off is scheduled for the first round losers in the round robbin tourney. The event is sanctioned by the San Diego section of the C.I.F.

In the opening stanza of the Kiwanis-sponsored tournament, the Monte Vista Monarchs meet Vista High's Panthers in a game set for 4:30 p.m., in the Helix High gym, at 7323 University ave., in La Mesa. Coach William Gillespie reports that his tourney team will include Kirk Breedlove, Bob Divine, Bud Edwards, Tay Finney, Larry Godley, George Gray, Ron Hammett, Ron Hanchett, Craig Hartman, Paul Landis, Rick McGuffin, Dan Roberson, Dan Smith, Nick Tingle, and Mike Kelly.

Tourney opener for Mt. Miguel sees the Matadors pitted against the Hoover High Cardinals. The Hover gym will be the site of the game, scheduled to begin at 3:00 p.m. on December 18th.

Coach Richard Ridgway reports his tourney team roster includes Jim Costa, Pat Ela, Ben Martin, Steve McClintock, Chris Heiserman, John Linnan, Fred McMullen, Jon Minich, Bill Pace, Keith Padgett, Ben Poulson, Ron Sabo, Richard Tufteland, Alan Ursillo, and Don Wilder.

Preliminary games in both divisions of the annual Kiwanis Tournament will be played in nine high school gymnasiums throughout the metropolitan area. Tourney finals are set for the Peterson Gym, at San Diego State College, beginning at 7:00 p.m., on December 21. This year, for the first time in the history of the tourney, the finals will be co-sponsored by the Associated Student Body of San Diego State College.
